Ease of Use

farmshelf.

Once you have your Farmshelf, it’s simple to grow your own leafy greens and herbs.

Insert Seed Pods

We deliver your choice of seed pods; you insert them to plant.

Add Water

The quick-connect hose makes it easy to fill your unit with water.

Harvest Crops

Pick your crops at peak freshness and peak flavor.

Always Growing

We remotely monitor to optimize lighting, nutrients and airflow.

A unit needs just 10 minutes of care per day.

What You Get

From basil and mint to shiso and kale,
with Farmshelf, the proof is in the produce.

Choose from 40+ leafy greens and herbs to make your menus fresher than fresh.

Each Farmshelf yields approximately 4-5 lbs of produce per week.

Create fresh and delicious dishes featuring new flavors.
