Executive Biography

Georgina Miranda
Consultant
Explorer in Residence

Adventurer, entrepreneur, advisor, transformation expert

Dedicated to the transformation of people, companies, and societies for their highest and best good. Georgina brings almost two decades of experience as a social entrepreneur, adventure athlete, international speaker, writer, transformation coach, consultant, mindfulness and energy practitioner, and founder and CEO of She Ventures- a social enterprise focused on the global advancement and well being of womankind.

She is known for producing transformative experiences/events and for developing proficient, conscious leaders, entrepreneurs, and companies alike. Her client roster spans Fortune 500 companies globally as a management consultant and executive coach.

An adventure athlete, Georgina is in the process of completing the Explorer Grand Slam, a grueling challenge of climbing the highest peak on each continent and skiing to the North and South Pole. A feat that less than 15 women have completed globally. This journey has taken her to climb Mt. Everest twice, and began in 2008, when she could barely run a mile. Her mission is to share the stories of women and places at risk highlighting gender-based violence and climate change. She also shares how mindfulness and a shift in mindset was the key to her own personal transformation.

Georgina holds an MBA from Loyola Marymount University in Los Angeles. She is a graduate and has been an advisor for the Nasdaq Entrepreneurial Center in San Francisco. She serves on the Board of Directors as the Vice Chair for SheJumps, and serves as an advisor for many other startups and leadership organizations. She is formally trained in mindfulness/meditation, yoga, and energetic healing practices.

She is a contributor for Thrive Global, and has been featured and quoted in Forbes, Vox, Glamour, NBC News, Mindful Magazine, Mindful Leader, Intel, Women’s Health, Huff Post, Latina, and many more media outlets and films.

Our strength is the power of our collective.
